

8-29-11

May you be having a good day, honorable Judge Campbell  
I apologize for bothering you.  
My name is Vicente Arellano G.

I am in the Robertson County Jail facility 311 5<sup>th</sup> Ave East, Springfield, TN 37172  
My case number, 3:10-00258

Four months ago, 4-22-11, they took me to court, which was to let me know that they had changed my lawyer. Days later they took me to court again so I could meet my new lawyer. That day when I had an interview with him I asked him for a card, he told me it wasn't important because I do not know English and cannot call him. Also he told me that in two weeks he would go to R.C.D.C to bring us up to date about the case, my lawyer is Kerry Haymaker, as he did not give me his card I do not know his address or telephone number. In other words I do not know anything about him, that is why I write to you, honorable Judge Campbell, to see if you can help me or if someone can send me some information. I have been 10 months without receiving any information about my case. Again, excuse me honorable Judge Campbell for bothering you with my problem and I hope you can help me with some information. Thank you.

Sincerely and with respect  
Attentively,  
Vicente Arellano. G.
